What do I ask a client with a history of...

Depression

Depression is a mental state characterized by dejection, lack of hope, and absence of cheerfulness.

Questions:

- How old is the client and when was he/she diagnosed with depression?
- Has the client had suicidal thoughts?
- Has the client been hospitalized for his/her depression? Is he/she currently under therapy?
- Has the client needed to take time off from work? Is he/she functioning in society?
- Is there any history of alcohol or drug abuse?
- What medications is the client currently taking?
- Does the client have any other medical concerns?

**Once these questions are answered, please send an email or fax to me.
I will respond within 24 hours.**
