*What do I ask a client with a history of...*

## **Heart Murmur**

A heart murmur is an unusual heart sound which may be innocent or reflect disease.

Questions:

- How old is the client and when was the heart murmur discovered?
- What type of murmur does the client have?
- Does the client have a history of cardiac arrhythmia?
- Was an echocardiogram done and what was the result?
- What is the grade of the murmur?
- Has the client experienced fatigue, loss of consciousness or shortness of breath?
- What medications is the client currently taking?
- Does the client have any other medical concerns?

**Once these questions are answered, please send an email or fax to me.  
I will respond within 24 hours.**
