What do I ask a client with a history of...

Melanoma

A melanoma is a type of skin cancer.

Questions:

- How old is the client and when was he/she discovered to have a melanoma?
- What type of melanoma did he/she have?
- What stage was the cancer? What was the size, growth and location of the cancer?
- What was the treatment for the cancer and when did it end?
- Has the client had any follow-up visits with a doctor?
- Has the client had any other melanomas?
- What medications is the client currently taking?
- Does the client have any other medical concerns?

**Once these questions are answered, please send an email or fax to me.
I will respond within 24 hours.**
