What do I ask a client with a history of...

Prostate Cancer

Prostate cancer is a malignant tumor that consists of cells from the prostate gland. It is one of the leading causes of cancer death in American men.

Questions:

- How old is the client and when was his prostate cancer diagnosed?
- What was the stage of the cancer? What was the Gleason score?
- What was the treatment for the cancer?
- What was his PSA result before and after the treatment?
- What medications is the client currently taking?
- Does the client have any other medical concerns?

**Once these questions are answered, please send an email or fax to me.
I will respond within 24 hours.**
