*What do I ask a client with a history of...*

## **Testicular Cancer**

Testicular cancer, cancer in the testicle, usually affects males between the ages of 20-40.

### Questions:

- How old is the client and when was he diagnosed with testicular cancer?
- What was the stage and rating of the cancer? What was the size and growth of the tumor? Was it a seminoma or non-seminoma tumor?
- What was the treatment for the cancer?
- Has all the follow-up care been normal?
- What medications is the client currently taking?
- Does the client have any other medical concerns?

**Once these questions are answered, please send an email or fax to me.  
I will respond within 24 hours.**
